Library director's report/wish list

Rachels director's report was read to the members present. Updates to library and summer programs were read. Rachel is looking for volunteers for the Amazing Library race on the afternoon of June 25th. Summer request #1 – provide a prize basket for the winner of the guess the number contest. Rachel added titles from the Cooperative Children's book Center 2023 choices to the wish list.

Candy sale update: Cindy purchased 3 more boxes and Sandy deposited \$104 from the Candy Sales

Bake Sale Update: Sandy reported that we made \$337.16 from the bake sale. It was recommended that we maybe could make a bigger sign.

Sourdough workshop update Rachel reported in Library directors update that she is working with Stacy on the classes.

New Business

Snack shack: We were wondering what type of advertising could be done to get patrons to buy concessions. Patrons usually bring their own food but would buy snacks if they knew we were going to be there. It was recommended that we could possibly sell Lemonade. We talked about needing to buy glasses for them to use.

Book of the month club. Members decided to have Sandy to order from the Friends list.

Meeting was adjourned at 7:00pm
